

TITLE 62: MINING
CHAPTER I: DEPARTMENT OF NATURAL RESOURCES

PART 180
AUTHORITY TO TAKE APPROPRIATE ACTION IN AN EMERGENCY

Section

180.10 Executive Offices to Take Action Deemed Necessary

AUTHORITY: Implementing and authorized by the Coal Mining Act [225 ILCS 705].

SOURCE: Filed and effective June 17, 1958; codified at 7 Ill. Reg. 11277; recodified from the Department of Mines and Minerals to the Department of Natural Resources at 21 Ill. Reg. 16192.

Section 180.10 Executive Offices to Take Action Deemed Necessary

It was the ruling of the Mining Board that it is incumbent upon the Executive Officer to take whatever action he deems expedient at the time in any emergency that may arise of any kind of character, or in the case any employee of the Department of Natural Resources who does not fully cooperate with the Coal Mining Act or the rules prescribed by the Executive Officer (Director of the Office of Mines and Minerals). The Executive Officer shall report his actions to the Mining Board, and in the case of a discharged employee the Mining Board, if it so desires, may give to such employee the right to appeal his or her case to the Board.
